What does it look like now?

Greater Cleveland Regional Transit Authority

What will it look like tomorrow?

What Will We Gain

- Improved Accessibility

- Keyboard Navigation Control

- Font size and type change

- Clickable menu instead hover function and larger click targets

- Meet Web Content Accessibility Guidelines (WCAG) Standards

- Cleaner Content presentation

- Improved multi lingual accessibility through the use of translation tools

- Increased Accessible Rich Internet Applications (ARIA) Standards Compliance

- Periodic review using Web Accessibility Evaluation Tool encourages continuous improvement
