January 1, 2018

*Christopher P. Morill*

The Government Finance Officers Association of the United State and Canada (GFOA) presented an award of Distinguished Presentation to the Greater Cleveland Regional Transit Authority for its annual budget for the fiscal year beginning January 2018. In order to receive this award, a government unit must publish a budget document that meets program criteria as a policy document, operational guide, financial plan, and communication device. The award is valid for a period of one year. We believe that our current budget document continues to conform to program requirements and we are submitting it to GFOA to determine its eligibility for another award.
