

RIDER'S ALERT

REROUTE TO CHANGE FOR THE #76X/F

Effective **Monday, February 5, 2001**, the reroute for the southbound (outbound) #76X/F will change due to the start of the next phase of the Turney Road Reconstruction project. Southbound buses will no longer be able to operate on Turney or West Grace between Lee and Broadway. They will continue east on Rockside, then south on Broadway, and north on Warrensville Center. Please note that the buses will not operate on East Grace. Northbound #76X/F buses will maintain the current reroute.

Passengers who need to “back track” on a northbound or southbound #76X/F, in order to reach their destination, should request a transfer from the operator when boarding. RTA apologizes for any inconvenience to its customers. For more information, call the RTA Answerline at (216) 621-9500 (TDD--(216) 781-4271).
