

ATTENTION: #46F AND #55SX RIDERS WHO BOARD THE BUS AT RIVER SHOPPING CENTER (DETROIT RD. AT LINDA ST.)

RTA has been informed that Wald & Fisher, owners of the River Shopping Center (located at Detroit Rd. and Linda St. in Rocky River), will no longer permit RTA riders to park their cars in the shopping center parking lot. **This parking ban is in effect immediately.**

RTA has no formal agreement with Wald & Fisher to provide for RTA customer parking. **Please be aware that, should you choose to park your car in River Shopping Center for the purpose of riding RTA buses, you do so at your own risk and your car may be towed.**

RTA suggests the following alternative parking lots:

- **Westlake Park-N-Ride** , located on Sperry Rd. between Clague and Columbia Rds., just west of the Big Fish restaurant. This is a major RTA facility served by #246 Park-N-Ride bus in rush-hours and the #55CX and #808 buses in off-peak hours.
- **Clague Rd. Park-N-Ride**, located on east side of Clague Rd. at Wolf Rd. in Bay Village. RTA has a small, designated parking area in the parking lot in front of the City of Bay Village's Reese Park. The #55CX/F Clifton-Lake and #808 West Shore Circulator buses serve this location.

RTA apologizes for any inconvenience to its customers. For route and schedule information, please call the RTA Answerline at (216) 621-9500 [TDD – (216) 781-4271].
