

# Rider's Alert

## Attention #55X Clifton Passengers

Beginning Monday December 9, 2002, RTA will be changing the bus stops for the #55C Clifton-Lake buses during the rush hours.

In order to equalize the rush-hour loads on the various Clifton buses and to simplify customer understanding of where the buses will stop, RTA will discontinue the #55CF (for Flyer) designation in the rush hours. All #55C trips will now make all stops on Clifton between West Clifton and West Blvd. and will be designated as #55CX.

Please note that this change is not reflected in the new #55X timetable dated December 8, 2002, but will be incorporated in the next printing of the timetable.
