

RTA CITIZENS' ADVISORY BOARD

The RTA Citizens' Advisory Board, at its meeting on October 12, 2006 submitted a report to the RTA Board of Trustees, which is attached.

The RTA Citizen's Advisory Board endorses the report by the Volunteers in Action (VAC) committee of the CAB that contains several ideas and recommendations to both the Greater Cleveland Regional Transit Authority and the City of Cleveland regarding signage and amenities at the Airport Red Line Station at Cleveland Hopkins International Airport.

Moved by Rip Ruhlman, and Seconded by Carol Johnson, it was unanimously agreed by the CAB that the attached report should be sent to the Board of Trustees and staff of RTA for their consideration and review.
