# SUPPLEMENTAL BUS SERVICE

Each year, when public and parochial schools are in session, RTA provides extra, or supplemental, bus service in various areas throughout the County. The purpose of this supplemental service is to prevent overcrowding on regular RTA bus routes when students are traveling to and from school.

The routings and times for these supplemental trips have been grouped geographically and are provided on the following four (4) area public timetables:

- Supplemental Service for Eastern/Northeastern Cuyahoga County
- Supplemental Service for Southeastern Cuyahoga County
- Supplemental Service for Northwestern/Southwestern Cuyahoga County

- Supplemental Service for Western Cuyahoga County

Supplemental services are considered "local" bus service and fares are the same as other RTA local routes. If you are paying a cash fare, have the exact fare ready as drivers carry no change.

Please remember that the purpose of supplemental services is to prevent overcrowding on regular bus routes when schools are in session.

**Therefore, supplemental services operate on weekdays only when school is in session and are not provided during the summer months and at other times when schools are not in session.**

All supplemental services stop at all RTA stops and are open to the public.

 All trips are wheelchair accessible.

**Please have exact fare ready, drivers carry no change.**

Scheduled times are subject to traffic and weather conditions.

**Fare With RTA ID Card or Medicare Card: 50¢. RTA ID Cards are issued to qualifying seniors, disabled persons, or Medicare Cardholders.**
