Holiday Service: RTA operates holiday service on the following days: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

HealthLine Sponsors

Proof of Payment

Stations along the route have Ticket Vending Machines (TVM's) where you can purchase a single ride ticket or an All-Day Pass. On the HealthLine, you pay your fare before you board. Fares will not be collected on the vehicle except during late night hours, or if the TVM at the station is not working. You must hold on to your ticket or pass once onboard. RTA Fare Enforcement Officers will check to see that you have a valid ticket or pass (Proof of Payment). If you don't, you'll be assessed a Violation Fare. Non-payment of the Violation Fare will lead to criminal prosecution.

Some farecards and passes need to be activated before you board the HealthLine using activation equipment at the stations. Multi-Trip Farecards (1 Trip, 2 Trip or 5 Trip) must be activated for your current trip. The 7-Day Pass and All-Day Pass only need to be activated on the first trip. A current Monthly Pass or U-Pass does not need to be activated.

Tips for Riding

When crossing Euclid Avenue, always use a designated crosswalk and cross only when signaled. At the station, purchase your fare at the vending machine before the vehicle arrives. As the vehicle approaches the station, stand back from the platform edge; the HealthLine pulls up closer to the curb than a traditional bus. Please allow passengers to exit the vehicle before boarding.

Bicycles and the HealthLine

Bike riders on Euclid Ave. may use the designated bike lanes, both eastbound and westbound, from E. 21st Street to Stokes Blvd. Bikes are also allowed on the HealthLine vehicles. When boarding the vehicle with your bike, enter through the rear door. Stand with your bike near the articulated center of the vehicle, where it "bends." If the vehicle is full, the operator may ask you to wait for the next HealthLine to arrive.
