- 1.0 **PURPOSE/SCOPE:** This action will allow the Authority to renew a sole source contract to obtain software maintenance and support on various Oracle products for a period of one year.
  
- 2.0 **DESCRIPTION/JUSTIFICATION:** The GCRTA has been utilizing the Oracle database technology and applications since 1995. Annual maintenance and support is required to maintain the Oracle Enterprise Business Suite – Financials, Procurement, and HR/Payroll applications, as well as all GCRTA executed applications that utilize the Oracle database technology. These include HASTUS, CITME/Ultramain, Kronos, Riskmaster, and various Trapeze products. The Oracle application is a proprietary product designed exclusively by the Oracle Corporation.
  
- 3.0 **PROCUREMENT BACKGROUND:** This contract for maintenance and support services is exempted from competitive bidding as authorized by Section 306.43(H)(3) of the Ohio Revised Code. After negotiations, Oracle Corporation offered to provide maintenance and support for the various Oracle software products for a total amount not to exceed \$513,990.24. The Information Technology Department reviewed the offer for adherence to technical scope. This amount is approximately a 2% increase from pricing paid on the previous contract.  
  
 A price analysis has been performed and the Procurement Department has determined that the price is fair and reasonable to the Authority.
  
- 4.0 **AFFIRMATIVE ACTION/DBE BACKGROUND:** All Affirmative Action requirements have been met. A 0% DBE participation goal was established for this procurement because it is the maintenance of proprietary software and by agreement such work is exclusive to the original software provider and installer.

- 6.0 **ECONOMIC IMPACT:** The contract will be funded through the General Fund, Information Technology Department budget in an amount not to exceed \$513,990.24 for a period of one year. This price is just below the estimate of \$515,000.00.
  
- 7.0 **ALTERNATIVES:** Reject this offer. Rejection of this offer would leave the Oracle software programs without adequate maintenance and support.

- 8.0 RECOMMENDATION: It is recommended that the offer of Oracle Corporation be accepted and the resolution passed authorizing the CEO, General Manager/Secretary-Treasurer to enter into a contract.
- 9.0 ATTACHMENTS: None.

Recommended and certified as appropriate to the availability of funds, legal form and conformance with the Procurement requirements.
