What is Paratransit Service?

The Americans with Disabilities Act of 1990 (ADA) is a civil rights bill that bans discrimination against people with disabilities. Under the ADA, transit agencies operating a fixed-route system must provide a comparable travel system for people with disabilities who cannot use the fixed-route system.

Paratransit is the transportation service of the Greater Cleveland Regional Transit Authority (GCRTA) for persons with a functional disability who are unable to use RTA fixed-route bus or train service for some or all of their trips due to the effects of their disability. Paratransit is a “Shared Ride” service that operates at the same times and in the same areas as the fixed-route buses and trains with very few exceptions. RTA Paratransit operates in full compliance with the Americans with Disabilities Act.

Eligibility is not based solely on a diagnosis or type of disability.

Individuals are eligible based on 3 categories:

1. Inability to Navigate the System Independently

Any person who is unable to board, ride, or exit any accessible RTA fixed-route bus or train without the assistance of another person, other than the operator, as a result of a physical, visual, or mental disability.

2. Lack of Accessible Vehicles, Stations, or Bus Stops

If accessible vehicles are not available or if a boarding or disembarking location is not accessible on the routes that the customer wishes to travel on.

3. Inability to Reach a Boarding Point or Final Destination

Any person with a functional disability who has a specific impairment related condition that makes it impossible for them to travel, all or some of the time, to a RTA fixed-route bus stop or train boarding location.
The Paratransit service area is defined as up to \( \frac{3}{4} \) mile on either side of an existing bus route. Service is available on the same days and times as fixed-route service of the requested route. If you have a disability that prevents you from using the regular fixed-route service, you may be eligible for Paratransit.

ADA Paratransit service is considered a premium service and agencies by law can charge a fare that is double the standard fixed route fare. All Paratransit customers are expected to pay the current fare for each ride. Fare cost is subject to change at any time. Contact GCRTA for the current fare structure or visit our website.

### RTA Paratransit Service

**Is Not** - a social service sponsored transportation program or for special event group trips. It is not designed to meet the needs of every disabled person; some people may require more service or assistance than RTA Paratransit can provide.

**Is Not** - for individuals who can use the regular RTA buses and trains but do not want to.

**Is Not** - door through door service. Drivers do not escort passengers inside buildings. They will escort passengers to and from outer doors only.

**Does Not** - provide mobility aids for passengers.

### What is RTA Fixed Route Service

- They have priority seating for people with disabilities and seniors.
- They have stop announcements (automated or by the operator).
- They have places to secure wheelchairs or scooters.

PART VII: NOTICE TO HEALTH CARE PROFESSIONAL

Dear Health Care Professional:

The Greater Cleveland Regional Transit Authority offers two programs for a person who has been medically diagnosed with a disability. The **Fixed-Route Disability Discount Fare Program** and **Paratransit “Origin-to-Destination” Service**.

**Fixed-Route Disability Discount Fare Program:** (Currently 1/2 of the current one-way fare)

To be eligible for the Fixed-Route Disability Discount Fare Program, you must have a medically documented disability and be able to perform the following transit related functions:

- Getting on or off a standard RTA bus/rail car
- Standing in a moving RTA bus/rail car
- Reading information signs (Legal blindness of 20/200 with best possible correction (tunnel vision) or a field of vision that is less than 20 degrees in the better eye, or a reduction in eyesight of the visual field. (Hemianopia))
- Hearing directions (Average loss of 30 decibels within speech frequencies in both ears, with the best possible correction is the minimum requirement)
- Understanding information signs and/or directions of the bus/rail operator

**Paratransit “Origin-to-Destination” Service:** (Please check current fare)

To be eligible for Paratransit service a person must have a medically documented disability that limits their functional abilities to ride fixed-route (bus/rail system). If the disability prevents a person from using a regular bus or rail, with lift/ramp-equipment some or all of the time, they may be eligible for Paratransit service.

Paratransit eligibility is broken into three categories:

1. Inability to navigate the system independently, due to a physical or mental impairment.
2. Lack of accessible vehicles, stations, or bus stops.
3. Inability to get to and/or from a bus/rail stop or station.

Federal Law requires that the Greater Cleveland Regional Transit Authority (GCRTA) provide Paratransit services to persons with disabilities who cannot use our bus or rail transit system. The information you provide in the attached Professional Verification will allow GCRTA’s representatives to make an appropriate evaluation of the applicant and determine how we may best meet their needs.

Your evaluation of each person must be based solely upon their functional abilities to use regular fixed-route transit service. Your verification should consider only the presence of a disabling condition, not the applicant’s age or economic status. Please exercise care in evaluating applicants for this service. False verification could result in travel limitation for persons legitimately qualified to use Paratransit.

**PLEASE NOTE:**

This does not include persons who find it uncomfortable or inconvenient to get to and from bus stops.
If you have any questions about the Application or the review process, please contact the Greater Cleveland Regional Transit Authority - ADA Registration Office at (216) 566-5124.

If you must disclose protected health information about the applicant, we have provided the applicant with an Authorization to Disclose Protected Health Information and have asked them to provide an executed copy to your office with this application.
