Proof of Payment

Stations along the HealthLine have Ticket Vending Machines (TVMs) where Single-Ride and All-Day passes are available for purchase. Please be mindful that TVMs do NOT make or refund change, so we recommend that riders pay with the exact dollar amount. HealthLine passengers are strongly encouraged to purchase their passes prior to boarding the vehicle, then show proof-of-payment to Transit Police if an officer is present at the station. In the event Transit Police is not present, riders are required to show their proof-of-payment to the HealthLine operator immediately upon boarding. Please keep your valid fare for the duration of your trip and readily at hand in the event you are required to show proof-of-payment on board another RTA vehicle. Failure to present proof-of-payment upon request could result in civil fees or criminal prosecution.

Some farecards and passes need to be activated before you board the HealthLine, using the TVMs at the station. 5-Trip farecards must be activated for your current trip. The 7-day and All Day passes need to be activated only on the first trip. A current Monthly pass or U-Pass does not need to be activated.

Tips for Riding

When crossing Euclid Avenue, always use a designated crosswalk and cross only when signaled. At the station, purchase your fare at the vending machine before the vehicle arrives. As the vehicle approaches the station, stand back from the platform edge; the HealthLine pulls up closer to the curb than a traditional bus. Please allow passengers to exit the vehicle before boarding.

Holiday Service

RTA operates holiday service on the following days: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.
