

August Service Change & Gay Games Transportation

Presentation to the Operations Committee
RTA Board of Trustees
August 5, 2014

August Service Change

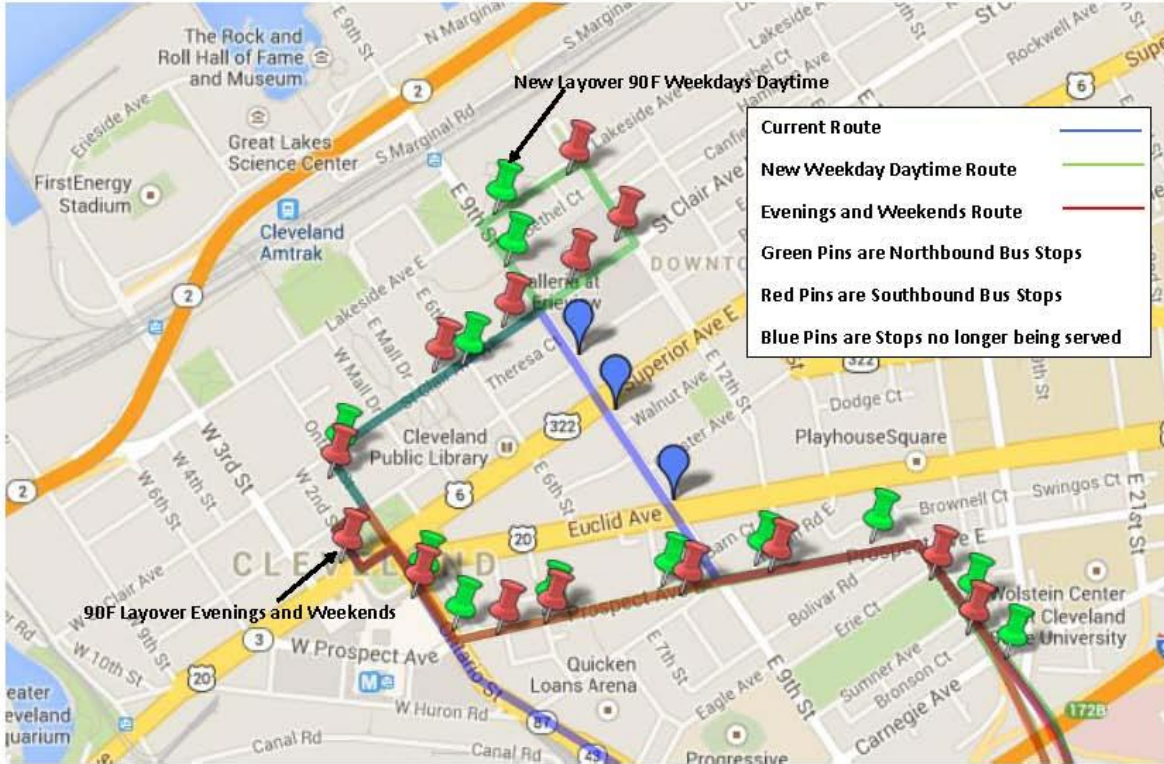

- Analyzed options to facilitate maintenance projects on rapid transit rights of way
- Trains currently run 22 hours per day
- Considered using buses after 10 p.m.
- Decided to run Red Line service half-hourly after 8 p.m. to allow single-tracking

August Service Change

- Adjustments to improve on-time performance
- Extend weekday #94 to Lakeshore & 185th
- Add back school-oriented trips & routes
- Improve #90F in CBD for inbound-outbound consistency and for new county HQ

Route #90F Downtown Improvement

Prepared by Service Planning, June 2014

- This improvement will be implemented with the August 17 service change.

Gay Games Transportation

- Enhanced B-Line Trolley Service
- Enhanced HealthLine Service
- Coordination with Laketran, Metro (Akron), and private transportation providers
- Comprehensive information and assistance
- All added costs are funded
