

RESOLUTION NO. 1975-8

ADOPTING A REDUCED FARE STRUCTURE FOR LOOP
BUSES SERVING DOWNTOWN CLEVELAND

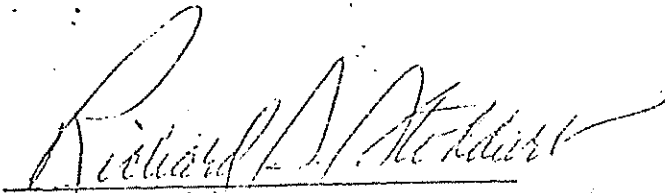

BE IT RESOLVED by the Board of Trustees of the
Greater Cleveland Regional Transit Authority that:

Section 1. The Authority takes note of the fact that
the current fare structure for Loop buses serving Downtown
Cleveland is 25¢ per ride and declares that upon the taking
effect of a 25¢ base fare throughout Cuyahoga County, it
would be inappropriate for the Loop fare to be maintained
at the current 25¢ per ride level.

Section 2. It is the Authority's present intention to
reduce the fare structure for Loop buses serving downtown
Cleveland to 10¢ per ride to become effective on the same
date the Authority puts into effect elsewhere in Cuyahoga
County a 25¢ base fare per ride.

Section 3. This resolution shall become effective
immediately.
