- 1.0 **PURPOSE/SCOPE:** This action will allow the Authority to obtain software upgrades and technical maintenance and support on various Oracle products for a period of one year.
- 2.0 **DESCRIPTION/JUSTIFICATION:** GCRTA has been utilizing the Oracle Applications since 1995. Annual maintenance and support is required to maintain the Oracle Financials and Human Resource Management software programs. The Oracle application is a proprietary product designed and maintained exclusively by the Oracle Corporation.
- 3.0 **PROCUREMENT BACKGROUND:** This sole source contract for maintenance and support services is exempted from competitive bidding as authorized by Section 306.43H(3) of the Ohio Revised Code. After negotiations, Oracle Corporation offered to provide maintenance and support for the Oracle Financials and Human Resource Management software programs for a total cost of \$279,395.22. This total price represents a discount from the rates listed in the State Cooperative Purchasing Agreement and are the same rates that have been paid the past two years.
- The Information Systems Department reviewed the offer for adherence to the technical scope. A price analysis was performed and the Procurement Department has determined the negotiated price to be fair and reasonable to the Authority.
- 4.0 **AFFIRMATIVE ACTION/DBE BACKGROUND:** All Affirmative Action requirements have been met. A 0% DBE goal was established for this procurement due to the lack of subcontracting opportunities.
- 5.0 **POLICY IMPACT:** Does not apply.
- 6.0 **ECONOMIC IMPACT:** This contract will be funded through the General Fund, Information Systems Department budget at a total price of two hundred seventy-nine thousand three hundred ninety-five and 22/100 dollars (\$279,395.22) for a period of one year. This is the same price that was paid the previous two years.
- 7.0 **ALTERNATIVES:** Reject this offer. Rejection of this offer would leave the Oracle software programs without adequate maintenance and support.
