ACTION REQUEST: ☒ Approval ☐ Review/Comment ☐ Information Only ☐ Other _____	

- 1.0 **PURPOSE/SCOPE:** This action will provide the Greater Cleveland Regional Transit Authority ("Authority") with catastrophic casualty insurance protection for a period of 12 months.
- 2.0 **DESCRIPTION/JUSTIFICATION:** The Authority purchases a Casualty Insurance Program to protect its assets against catastrophic loss. The current Casualty Insurance Program expires September 1, 2026. The Casualty Insurance Program includes three policies: Excess Liability, Excess Workers' Compensation and Public Officials' & Employment Practices Liability ("EPL"). The Excess Liability program contains General Liability, Rail Liability, and Auto Liability coverage. Separate policies are purchased for EPL, as well as Excess Workers' Compensation.
- This resolution requests authorization for the Excess Liability program and the Excess Workers' Compensation policy. Due to the price for the EPL policy, that line of coverage is within the General Manager, Chief Executive Officer's contract signing authority.
- 3.0 **PROCUREMENT BACKGROUND:** The Authority's casualty insurance brokers, USI Insurance Services, LLC ("USI") and its partner, The Rutledge Group, and Price Forbes & Partners Limited ("Price Forbes"), USI's London brokerage partner, approached several commercial insurance markets seeking proposals for participation in the insurance program. As USI explained at the August 4, 2026 Audit, Safety Compliance and Real Estate Committee meeting, the commercial liability insurance market remains challenging. The markets are reacting to nuclear verdicts and inflation. Carriers are particularly focused on reviewing potential aggregation of losses.

As a result of this state of the market, USI advised the Authority, during our strategy meeting in July, to expect an approximate 7.5% increase in the premium for the large Excess Liability program. Their experience with similar account renewals this year reflected increases of 7.5%-25%. Similarly, we were given a 5% projected premium increase for the Excess Worker's Compensation policy.

We are pleased to report that we have exceeded expectations on all three lines of coverage, as summarized below.

Final Program Results:

Final negotiations resulted in renewing the entire program limit of \$95 million in coverage with no reduction in coverage. The final premium commencing September 1, 2026 for the Excess Liability policy is \$2,038,120, a .36% increase over the expiring premium of \$2,030,733. This is \$111,880 or 5.2% under the budgeted amount of \$2,150,000.

The renewal premium commencing September 1, 2026 for the Excess Workers' Compensation policy is \$234,453. The Authority was able to generate some competition in this very limited marketplace and achieve a premium decrease of \$52,988. The renewal premium of \$234,453 is \$65,614 below the budgeted amount of \$300,067.

- 4.0 AFFIRMATIVE ACTION/ DBE BACKGROUND: Does not apply.
- 5.0 POLICY IMPACT: Does not apply.
- 6.0 ECONOMIC IMPACT: This program shall be payable from the Insurance Fund, Risk Management Department budget, in an amount not to exceed \$2,038,120, and the General Fund Risk Management Department budget, in an amount not to exceed \$234,453 for a period of 12 months. The Authority maintains an Insurance Fund at a minimum level to pay severe losses within the self-insured retention. The intent is to utilize the interest income on the Insurance Fund to offset (and cover, if feasible) the annual liability insurance premium.
- 7.0 ALTERNATIVES: Reject this offer. Not adopting this resolution will put the Authority at risk of not having casualty insurance protection.
- 8.0 RECOMMENDATION: This insurance renewal program was discussed by the Board of Trustees at the August 4, 2026 Audit, Safety Compliance and Real Estate Committee meeting. It is recommended that the submittal of the underwriters through USI and Price Forbes, or their successors, as negotiated, be accepted and the resolution passed authorizing the General Manager, Chief Executive Officer to enter into a contract.
