

Greater Cleveland Regional Transit Authority

Procurement of Gillig 40' CNG Accident Repair Services

Presented to: Organizational, Services & Performance
Monitoring Committee
February 5, 2018

Greater Cleveland Regional Transit Authority

PROJECT OVERVIEW OF GILLIG 40' CNG ACCIDENT REPAIR SERVICES

- Gillig CNG Coach No. 3320 was purchased in March, 2015.
- In October, 2017, it was involved in a direct front end collision when a tractor/trailer veered left of center and collided with the coach.
- The Authority was at no fault in this accident
- The at fault party will reimburse the Authority the cost of all repairs

PROJECT OVERVIEW OF GILLIG 40' CNG ACCIDENT REPAIR SERVICES

- The Authority has a need to repair Gillig CNG 40' Coach No. 3320, and restore the bus to its initial condition.
- All replacement parts shall be new OEM parts.
- The contractor will repair all systems damaged in the accident and will warrant all repairs for one year.
