

Proposed Chapter 1089 of the Codified Rules and Regulations

—◆—
Governance Committee Presentation
March 5, 2019

Greater Cleveland Regional Transit Authority

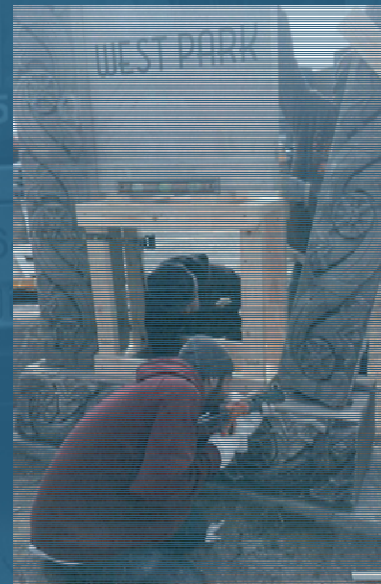

- Transit Waiting Environment Program
- Community Partner Investment Program

Transit Waiting Environment Program

- To improve the comfort of the Authority's passengers, and provide improved passenger amenities in areas where passengers wait
 - Program started after 2005 CUDC study
 - License agreements with property owners

Community Partner Investment Program

- to enable community partners to fund GCRTA to procure, install, and maintain pre-approved enhanced transit waiting environment amenities
 - Includes one-time installation and maintenance fee
 - Developers, municipalities, and community organizations can participate

Recommendation

Staff requests that the Governance Committee recommend this provision to the Board of Trustees for approval.
