

# Public Transportation Agency Safety Plan (PTASP)

2023 Plan Update for the Audit, Safety  
Compliance and Real Estate Committee

December 6, 2022

---

---

# GCRTA PTASP

A requirement in 2020 per 49 CFR 673

Includes new content per the 2021 Bipartisan Infrastructure Law & FTA

Requires Board of Trustees approval annually

2023 is GCRTA's 4<sup>th</sup> generation plan

# GCRTA PTASP

Describes all required processes and activities, for example, having an Employee Hazard Reporting System

Identifies Performance Targets as outlined in the requirements of the National Transportation Plan

Contains methods of Safety Promotion to communicate and prioritize safety

# GCRTA PTASP Key Changes

1. Formation of a new PTASP Labor/Management Safety Committee represented by ATU Local 268 and GCRTA Management charged with current & future plan updates

ATU President-Business Agent

General Manager/CEO

ATU Vice President

DGM, Operations

ATU Asst. Business Agent Non-Operations

DGM, Legal Affairs

ATU Asst. Business Agent Operations

Director of Safety

# GCRTA PTASP Key Changes

Labor/Management Safety Committee will meet the 3rd Monday of every month working to identify system hazards and recommend corrective actions.

New committee to ensure effective communications between management, ATU and employees.

# GCRTA PTASP Key Changes

2. Addition of ATU front line employees to all existing district safety committees who are afforded voting rights in decision making.
3. A summary of Operator assault mitigation efforts currently in place.

# GCRTA PTASP Key Changes

4. Infectious disease minimization statement and reference to the GCRTA Infectious Disease Policy and Pandemic Response Plan to be utilized during future public health outbreaks. Plan addresses:
  - Employee training, communications & use of sick leave
  - Facility & vehicle cleaning standards
  - Limitations on travel & meetings
  - Consultation with Public Health Officials

# GCRTA PTASP Key Changes

5. Inclusion of the Water Systems Management plan that includes water quality maintenance practices, testing for harmful bacteria, and actions to be taken should tests reveal risks. Examples;
  - Pasteurization of hot water systems
  - Plumbing configuration changes

# GCRTA PTASP

Recommendation: Staff requests the Audit, Safety Compliance and Real Estate Committee to recommend the 2023 Public Transportation Agency Safety Plan to the Board of Trustees for approval.
