Note: Average ridership by day type does not include atypical days as defined by the Federal Transit Administration for National Transit Database reporting.

Due to new bus ridership sourcing methods, average weekend days in 2024 may appear to show large variations when compared to previous years. The old sourcing method was not as precise in apportioning ridership to weekends.

\*Comparisons for the Red Line, HealthLine, and Light Rail are influenced by the timing of rail shutdowns in August 2023 and August 2024.
