Connecting the Community

Community Project Funding Congressionally Directed Spending(CPF/CDS) Program

August 28, 2026

- GCRTA was awarded a $250,000 grant award from the Federal Transit Administration (FTA)
- Funding will be used for GCRTA's Light Rail Green Line track reconstruction design

All Stations Accessibility Program (ASAP) Competitive Grant Award

September 9, 2026

- GCRTA was awarded a $20 million grant award from the Federal Transit Administration (FTA)
- Funding will be used to rehabilitate seven of the eleven stations along the Light Rail Green Line to make the entire Green Line accessible for people with disabilities
- Upgrades include new concrete platforms, redesigned ramps, and improving parking stalls
- Thank you to Senator Jon Husted and Congresswoman Shontel Brown for their support and for recognizing the important role accessible, reliable public transportation plays in driving Ohio's economy forward
- Upon completion of this project, the entire GCRTA rail system will be ADA compliant

Depot on Detroit Press Conference

August 24, 2026 |10300 Detroit Ave., Cleveland, OH

In Memoriam Dr. Floun’say R. Caver

- For more than two decades, Dr. Caver served the Greater Cleveland Regional Transit Authority and Greater Cleveland Community with extraordinary leadership, dedication and care
- Dr. Caver’s impact on our organization, our employees, our customers and the public transportation industry is immeasurable
- Beyond his dedication to GCRTA, Dr. Caver was above all a deeply devoted and loving husband to Tamea and father to Taj and Mya. His family was his greatest joy, and he spoke of them often with immense pride and love
- The honor of working alongside Dr. Caver was ours. He will be missed!
