Narrative

On March 30, 2015 I Ptl. Pacholke #88 was assigned to the West Zone in marked Unit #966.

At approximately 0001 hours while checking for proof of payment at 11631 Madison Ave. (W.117th RTS) I observed a female walk past me without showing proof of payment. I asked the female, later identified as Jessica L. Ferrato (ODL-RQ079504) to show her fare card. While walking away Ferrato waved a fare card and continued walking away. I was unable to determine whether the fare card was valid or not due to the distance between both of us. I approached Ferrato and again asked her to show her fare card.

Ferrato stated in an aggressive tone, using profanity that she did not have too, and continued to walk away. Once more I approached Ferrato, stood in front of her and advised her that I was unable to read her fare card and that I needed to assure it was valid. Ferrato again waved the card in my face. I was unable to read it. Ferrato was asked again to show her fare card. Ferrato approached me and placed the fare card within an inch of my face and began using profanity. While within arms reach I could observe that Ferrato had glossy bloodshot eyes.

Ferrato was acting disorderly in the presence of other patrons and myself. I advised Ferrato to have a seat on a bench nearby. Ferrato advised she did not have to do what I told her and began to walk away toward the parking lot. I ordered Ferrato to sit on the bench. Ferrato refused to comply with my commands and again started walking away. At this time I determined that Ferrato would be cited for Disorderly Conduct.

After advising Ferrato to stop, she refused. I tried to grab Ferrato's left hand. Ferrato began to pull away from me as I attempted to escort her toward the bench. While trying to detain Ferrato she continued to obstruct, in pulling away from me. I then, with resistance, escorted Ferrato to the ground.

While trying to place her hands behind her back, Ferrato stiffened her arms, trapping them under her body. Ferrato was ordered multiple times to stop resisting, she did not comply. After multiple commands and attempts to place her arms behind her back, Ferrato was advised if she did not comply that she would be pepper sprayed. While struggling with Ferrato, she began trying to crawl away while I was on top of her.

After struggling with Ferrato for several minutes Unit #964 Ptl. Theiss #120 and Ptl. Gonzalez # 61 arrived. Ptl. Gonzalez and I were able to handcuff Ferrato after a short struggle. I advised Dispatch and Ferrato that she was under arrest for Obstruction, Resisting Arrest and Disorderly Conduct intoxication. Ferrato refused to identify herself when asked.

While handcuffed, Ferrato was clutching onto the strap of a small black handbag. Ferrato was advised to release her grip on the handbag several times and refused. Ptl. Theiss and I forcibly tried to free the bag from her hands and could not.

For a fear of officer safety that she might have a weapon (knife, pepper spray or small handgun) in the bag. I used a pocket knife to cut the strap, releasing the bag. After removing the handbag from her, Ferrato kicked me, with force in both of my knees pushing me backwards, causing me to slightly lose balance.

Once placed into the back of unit #964, Ferrato was asked if she had been drinking prior to the incident. Ferrato stated she had been drinking Champaign earlier in the night. Ferrato was cited on TP001710 for Disorderly Conduct while Intoxicated. Unit #964 transported Ferrato to TPHQ to be checked by Sgt. Belica #13. I cleared without any further incident.
